

SRS- Update- Bugzilla ID-5486

1. Reviewer Application

- 1.1** A user submits an application to become a reviewer.
- 1.2** The Editor reviews and evaluates the application, then either approves or rejects it.
- 1.3** If the application is rejected, the application record is removed from the system.
- 1.4** The user may submit a new application to become a reviewer.
- 1.5** Upon receiving the new application, the Editor reviews and evaluates it again, then either approves or rejects the application.
